ABOUT ME

I am a passionate student and an IT enthusiast working my way towards fast-forwarding the digital world. I am a quick learner and adapt well to diverse working environments. Dedicated and detail-oriented Frontend & App Developer with 1 year of hands-on experience in Flutter and React-based development. Strong understanding of UI/UX design, mobile navigation, and responsive web architecture. Proficient in modern JavaScript (ES6+), Redux, REST APIs, Firebase, and Git. A collaborative team player with strong problem-solving abilities and a passion for learning new technologies.
